Re: Adams v. City of New York, et al. 05 CV 9484 (KMK)(JCF)

Dear Judge Francis:

I represent Defendant City of New York ("Defendant") in this action, which is one of the RNC cases currently consolidated before Your Honor.

Defendant is still endeavoring to determine whether certain individual defendants have been served and make proper representational decisions under GML § 50. Accordingly, Defendant respectfully requests and enlargement of time in which all defendants have to answer or otherwise respond to the Complaint. Plaintiffs' counsel, Michael L. Spiegel, Esq., has consented to an extension of time up to March 24, 2006. In the interim, the parties have agreed that discovery may proceed.

For the foregoing reasons, Defendant requests an enlargement of time in which all named defendants have to answer or otherwise move with respect to the Complaint up to March 24, 2006. If this meets with your approval, would you kindly "so order" it?

Very truly yours,

Jeffrey A. Dougherty
